

Dear Parents,

We are learning about reusing and recycling to help the environment. We will be doing an art and science project using items that are normally thrown away or put in the recycling bin. Therefore, please send in any items you have at home for this activity we will be doing on _____. Some examples are; paper towel tubes, toilet paper tubes, milk cartons (washed out), shoe boxes, etc. Please do not send in glass.

Thanks for your help!

P.S. Remember to send in your used printer cartridges and cell phones to raise money for our school through Green School Project.
